

SCHOOL LUGGAGE POLICY

CYC City is located in a five level building in the CBD. Luggage is moved in/out of the accommodation areas on trolleys via one passenger lift. CYC City staff will assist school groups with this.

Due to employee health and safety regulations, and for your own comfort when carrying your luggage from/to your coach/train, CYC City requests that school groups bring luggage in the size as follows:

SMALL CARRY-ON SIZE SUITCASE OR DUFFLE BAG

PLEASE NOTE: CYC City staff are not able to handle bags that exceed size limits. Oversized/overweight bags will need to be moved to/from accommodation areas by teachers.
