

# Changes to Local Bus Zones

## Flinders Lane, Spencer Street and Collins Street

1 May until late August

### What we are doing

All Spencer Street southbound traffic lanes will be closed at Flinders Lane from 1 May 2018.

All traffic will be detoured at Collins Street onto King Street. Local traffic only will be accepted between Collins Street and Flinders Lane on Spencer Street.

### Bus zone changes

From **1 May 2018** all bus zones in Spencer Street, south of Collins Street and including Flinders Lane will be removed and relocated.

These bus zones will be relocated to the westbound lane of Collins Street, on the western side of Spencer Street.

### Throughout the duration of the works

At no time during works can buses, coaches or towing vehicles turn left into Flinders Lane from Spencer Street

The left hand turn into Flinders Lane can only be made by cars and smaller delivery vehicles
